

## **TECHNICAL DEPARTMENT NEW BUILDINGS**

*The HR Department of Thenamaris invites high caliber professionals with the following profiles to join our New Buildings Site Offices in Far East in order to take up the roles of Hull and Paint Inspectors:*

### **New Buildings Inspectors [Job Code: TENB0412]**

Required Qualifications:

- University Degree (BSc) in Naval Architecture / Marine Engineering or Mechanical Engineering.
- Related MSc title is a strong asset.
- Previous relevant working experience in New Buildings Projects and / or Sea-going experience is welcome but not a prerequisite.
- Strong project management skills.
- Advanced interpersonal and communication skills.
- Fluency in English is required.

Emphasis is placed on candidates' personal characteristics: ability to work efficiently as a team member, ability to successfully deliver tasks under pressure, and eagerness to learn and develop.

*If you are in search of a world class environment and meet the above qualifications, please submit your CV in the **Careers** section of our website.*
