CALL FOR PAPERS AND SPECIAL SESSIONS

Int.Conf. on Applied Mathematics and Computer Science, Rome, Italy, January 27-29, 2017

<http://www.icamcs.net/>

ICAMCS: The 2017 International Conference on Applied Mathematics and Computer Science (ICAMCS) will be held in Rome, Italy during January 27-29, 2017 and will be composed by Special Sessions and Symposia. ICAMCS aims to be the leading international conference for presenting novel and fundamental advancements in the fields of Applied Mathematics and Computer Science. ICAMCS features invited keynotes as well as peer-reviewed paper presentations. The conference is completely open (one needs to register first), you will not have to be an author or a discussant to attend. Submissions will be peer reviewed and evaluated based on originality, relevance to conference, contributions, and presentation.

Proceedings will be published by AIP (American Institute of Physics). Should you want your Laboratory to be a Partner in this conference (with some benefits) send us an email with your proposal for Special Session, Plenary Speech etc... Each Proposal will pass via review
