

Join the Prom Spirit

Prom Racing, NTUA's Formula Student Team, is pleased to announce its new social media campaign titled *"Join the Prom Spirit"*

Over the last couple of years it's been one of our top priorities to encourage more students to become involved with motorsport, with students who innovate and who are enthusiastic about technology. To get one step closer to achieving this goal of ours we have decided to launch our own Facebook and Instagram AR filter and stickers!

So, Join the Prom Spirit by creating impressive Facebook and Instagram stories! All you have to do is to follow these next 3 steps:

1. Find your favorite spot
2. Tap on PROM RACING AR Filter or click the sticker icon at the top and select one of the @promracing GIFs
3. Tag @promracing
4. Upload it!
