The FULBRIGHT GEORGETOWN PARTNER AWARD is targeted at students who want to tackle environmental issues through the power of business.

Fulbright Greece in partnership with **Georgetown University** offers a unique opportunity to Greek students to apply simultaneously for the **Master of Science in Environment and Sustainability Management (MS-ESM)** and the Fulbright Scholarship Program for Graduate Students. Each year, a candidate who has been admitted to GU and nominated by Fulbright Greece will receive scholarships from both institutions as Georgetown University will match the grant amount awarded by Fulbright Greece.

Prepare for a career in environment and sustainability!

Want to learn more about the study program? Join the next GU MS-ESM information session on **December 16** at 10-11 a.m. ET ~ **5-6 p.m. Greek time.**
