

4th EULIST "Friday for Research" - Joint Online Meeting on "Environmental Research and Climate Change"

Friday, 4th October, 12:00 - 15:00 CET

4th EULIST "Friday for Research" - Joint Online Meeting
on
«Environmental Research and Climate Change»

EULIST

Friday, 4th October
12:00 - 15:00 CET

Topics

- ✓ Climate Change and Water-Related Disasters
- ✓ Extreme Weather Events
- ✓ GHG emissions, Air Quality and measurements
- ✓ Health impacts of climate change
- ✓ Economic Impacts of Climate Change (e.g. food security)
- ✓ Societal impacts of Climate Change (e.g. environmental refugees)
- ✓ Biodiversity loss and ecosystem resilience under Climate Change
- ✓ Cascading climate change impacts and implications
- ✓ Climate adaptation and mitigation strategies
- ✓ Disaster risk reduction and anticipatory actions
- ✓ Sustainable urbanization and green cities
- ✓ Deforestation and land use change

The meeting will include 5-minutes presentations by the members of EULIST European University showing the excellence of each institution on the following topics:

- ◆ Climate Change and Water-Related Disasters
- ◆ Extreme Weather Events
- ◆ GHG emissions, Air Quality and measurements
- ◆ Health impacts of climate change
- ◆ Economic Impacts of Climate Change (e.g. food security)
- ◆ Societal impacts of Climate Change (e.g. environmental refugees)
- ◆ Biodiversity loss and ecosystem resilience under Climate Change
- ◆ Cascading climate change impacts and implications
- ◆ Climate adaptation and mitigation strategies
- ◆ Disaster risk reduction and anticipatory actions
- ◆ Sustainable urbanization and green cities
- ◆ Deforestation and land use change

....and more about Environmental Sciences and Climate Change Research.

From NTUA Mrs. Touloumtzi and As. Prof. Ioannis Papoutsis (School of Rural, Surveying and Geoinformatics Engineering) will make the presentation on "Monitoring and Managing Climate Change Impacts".

After the presentations there will be time for discussion by all participants, to create synergies leading to potential research projects.
