

### **Technology in Motion – Move with Technology**

**Loedige manufactures a wide range of lifting equipment, material handling systems and cargo facilities. Career opportunities are now available within this quality driven international company.**

## **Student / Young Professional Placement in Middle East**

### **About Loedige:**

**Loedige provides hi-tech systems in a variety of applications including airport logistics and material handling systems, distribution logistics and car-park systems.** Loedige designs and manufactures material handling components and products including goods/passenger lifts, scissor lifts stacker cranes and further components and products. Loedige Group has many subsidiaries all over the world: London, Brasov, Hong Kong, Singapore and Doha. Our philosophy is to provide a flexible, customised and quality driven service which gives us a unique position in the market.

### **Opportunities:**

**We are offering 12 months internships, with opportunities for further employment, due to evolving projects in the areas Oman, Dubai, Doha and Bahrain. You will gain valuable working experience and training in the topics Project Management, Intralogistics, Automation Technologies and IT Systems. In addition you will have the opportunity to enrich your CV with international working experience in the quickly advancing economies of the Middle East.**

### **Requirements:**

**We are looking for young engineers or recent graduates to support our project teams in the Middle East. Your profile:**

- **Completed studies, preferably Bachelor, in the subjects logistics, IT, automation technology or electrical engineering**
- **You speak and write English fluently and are willing to travel and relocate**
- **You are technologically savvy and are comfortable with working with IT**
- **Strong Leading skills**

### **Notes and Conditions:**

- **Earliest employment date: 01.07.2011, latest possible employment date: 01.10.2011. Please consider that, due to the necessity of issuing a visa, the advance of the employment procedure is influenced by local visa regulations (e.g. concerning Nationality etc.). Thus, early applications will be preferred.**
- **Accommodation, outward and return travel expenses, and a shared car are provided by the company**
