

NANOTEXNOLOGY 2012

International Exhibition & Conferences on Nanotechnologies & Organic Electronics
30 June-7 July 2012, Thessaloniki, Greece
www.nanotextnology.com

NANOTEXNOLOGY 2012 is a Multi-Event that includes the well established International Conferences, Summer Schools & Exhibition

NN12
ISFOE12

EXPO12
ISSON12

NN12

9th International Conference in Nanosciences & Nanotechnologies (NN12), 3-6 July

3-6 July 2012

nnconf.physics.auth.gr

NN12 Workshops:

- W1: Plasmonics - NanoElectronics & Clean Energy
- W2: Nanomaterials, NanoFabrication, Nanoengineering & Nanoconstruction
- W3: Nanomedicine
- W4: Bioelectronics (joined with ISFOE12)

Parallel Events: & Special Sessions

- Round Table in Nanomedicine
- EC funded Projects

ISFOE12

5th International Symposium on Flexible Organic Electronics (ISFOE12), 2-5 July

2-5 July 2012

isfoe.physics.auth.gr

Parallel Events & Special Sessions:

- Special Session on OE Strategy in Europe, USA and Asia!
- Presentations of several EC funded Projects
- Workshop on OPVs and on Bioelectronics
- Exhibition from Companies, Research Institutions, in OE & Nanotechnologies

ISSON12

6th International Summer School in N&N, Organic Electronics & Nanomedicine (ISSON12), 30 June - 7 July

30 June-7 July 2012

nnconf.physics.auth.gr/isson.html

ISSON12 is addressed to under- & post- graduate students, scientists, etc. and it covers the areas:

- School 1: N&N
- School 2: Organic Electronics
- School 3: Nanomedicine

EXPO12

2nd International Exhibition on Nanotechnologies & Organic Electronics (NANOTEXNOLOGY EXPO 2012, 2-6 July)

2-6 July 2012

EXHIBITION TOPICS

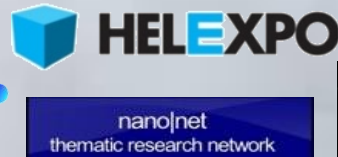

- Large scale Organic Electronics & Photonics
- Micro & Nanoelectronics
- Nanotechnology in Energy & Environment
- NanoFabrication & Nano-Construction

- Metrology, Equipment & Characterization
- Nanotechnology in Agriculture & Food
- Nanotextile – Clothing & Fashion
- Nanomedicine
- Nano Biotechnology & Pharmacy
- Business & Venture
