

Invitation: 13th International Conference on Environmental Management, Engineering, Planning and Economics (CEMEPE 2026)

Dear colleagues,

We have the pleasure to invite you to the 13th International Conference on Environmental Management, Engineering, Planning and Economics (CEMEPE), LIFE-FROSTDEFEND and SECOTOX Conference, that will be jointly held in Thessaloniki, Greece, from July 12 to 16, 2026. The conference will take place in the prestigious 5 star Grand Hotel, Thessaloniki.

There will be special prices (quite lower than the ones participants can find at platforms such as Booking.com etc.) for conference participants. The conference will be organized by the Division of Hydraulics and Environmental Engineering, Department of Civil Engineering, Aristotle University of Thessaloniki, the Society of Ecotoxicology and Environmental Safety (SECOTOX) and the LIFE-FROSTDEFEND project, in collaboration with the NTUA'S UNESCO Chair on Green Innovation and Circular Economy, the Department of Civil Engineering, University of Thessaly, the Department of Environmental Engineering, Democritus University of Thrace, and the Department of Chemistry, Democritus University of Thrace. The deadline for abstract submission is February 10, 2026.

Conference topics include:

- Air quality
- Coastal planning and policy
- Cultural heritage and architectural issues
- Biosensors and smart monitoring systems
- Small and decentralised wastewater management
- Ecosystems analysis and protection
- Ecotoxicology
- Energy and environment
- Environmental economics
- Environmental education
- Environmental impact assessment and risk analysis
- Environmental investment assessment
- Environmental legislation and policy
- Environmental restoration
- Fate and transport of pollutants
- GIS and remote sensing
- Global climate change
- Green chemistry
- Industrial waste
- Natural resources management
- Natural wastewater treatment systems
- Pollution control technologies
- Renewable energy sources
- Spatial and urban planning
- Sustainable production and consumption
- Tourism and environment
- Urban aerosols and health effects
- Visual impact and noise pollution
- Waste monitoring and management
- Waterborne diseases
- Water pollution

- Water resources engineering and management

Furthermore, we would like to inform you that you can participate in the conference by submitting either a full paper or only an abstract.

All papers or abstracts that will be presented at the conference (oral or poster presentations) will be eligible for publication (after review) in a special issue in one of the following international scientific journals:

- [Sustainable Chemistry and Pharmacy](#)
- [Circular Economy and Sustainability](#)
- [Environmental Research, Engineering and Management](#)

More information for the conference can be found at the webpage: <http://cemepe13.civil.auth.gr>

If you have any questions, please do not hesitate to contact the conference secretariat:

Dr. Stella Symeonidou, tel: +30 6974848164, e-mail: stesymeo@civil.auth.gr

Looking forward to hearing from you,

Stella Symeonidou
Conference secretariat
Division of Hydraulics and Environmental Engineering,
Department of Civil Engineering,
Aristotle University of Thessaloniki, 54124 Greece
E-mail: stesymeo@civil.auth.gr

On behalf of the
Organizing Committee:

Kungolos A., (chairperson)
Aristotle University of Thessaloniki

Aravossis K., (vice-chairperson)
National Technical University of Athens

Laspidou C., (vice-chairperson)
University of Thessaly

Kyzas G., (vice-chairperson)
Democritus University of Thrace

Eleftheriadis K., (vice-chairperson)
NCSR Demokritos

Ntougias S., (vice-chairperson)
Democritus University of Thrace
