We are delighted to invite you to our new Webinar Series on Professional Faculty Development, organised by the Task Group 3.2 “Innovative Teaching and Learning”, within the EULiST European University Alliance, where NTUA is a member institution. This series is designed for educators who wish to enhance their teaching practice, explore innovative methodologies, and engage their students more effectively.

What to Expect:

- Explore Innovative Learning Strategies: Discover new trends and techniques that can make your teaching more dynamic and impactful.
- Enhance Your Teaching Methodologies: Learn how to address diverse learning styles and foster inclusive and supportive learning environments.

- Collaborate and Connect: Network with colleagues from across the EULiST Alliance, exchange experiences, and share best practices.
- Gain Expert Insights: Benefit from the expertise of experienced speakers offering practical advice, tools, and inspiration for your professional growth.
