P.N.: 40615
Athens, 2-9-25

DEAN

**CALL FOR APPLICATIONS FOR DOCTORAL STUDIES IN THE SCHOOL OF
MECHANICAL ENGINEERING**
(Invitation Septembre 2025)

According to the provisions of Law 5128/2024, Law 4957/2022 and the regulations for Doctoral Studies of the School of Mechanical Engineering, NTUA <http://www.mech.ntua.gr/files/phd/fek-1805.pdf>, interested candidates who meet the requirements (Article 2, sections a and b) are invited to register online to the School Secretariat at the address: <http://www.mech.ntua.gr/gr/studies/postgrads/phd>
Online registration dates: **03/09/2025 - 30/09/2025**

Applicants **MUST** submit:

- i. provisional title of the Doctoral Thesis and scientific area (s) it pertains
- ii. the proposed drafting and writing language (which might be other than Greek) and
- iii. the proposed supervisor whose subject or scientific field is relevant to that of the D.T. to be prepared, according to article 34, Law 5128/2024 (A'118/30-7-2024)

The required documents are:

1. Photo (colored)
2. A photocopy of the applicant's ID Card
3. Detailed Curriculum Vitae
4. Copies of undergraduate and postgraduate degrees with diploma/degree grades, certified by the legally competent authority. In case of foreign institutions degrees a certificate of equivalence is required from the legally competent authority
5. Certificate of Analytical Scores received as part of the Degree
6. Certificate(s) of proficiency in foreign language(s).
7. Two (2) letters of recommendation, at least one from academia
8. Short draft of the thesis (at least subject/area, problem and objectives should be included) up to 5 pages.
9. Desired username (only characters, no symbols or spaces) to access the online services of the NTUA once they are accepted (in case of NTUA postgraduate students they should use their postgraduate username).

Applicants will be invited to an interview by the Sector's competent committee after the expiration of the online registration dates.

For more information or any clarifications, the candidates can contact the Office of Doctoral Studies of the Secretariat of the School of Mechanical Engineering, Ms. E. Papadaki, tel.: +30 2107724146, e-mail: phdmecheng@mail.ntua.gr

*For foreign degrees, the procedure of article 304, par.4, Law 4957/2022 (A'141/21.07.2022) is followed.

The Dean of the School

Ioannis Antoniadis
